THE GREAT Indian Medicine,

For the Removal and Permanent Care of all Dir-

eases arising from an Impure state of the Blood, wint Mercurial and Syphilitic Taints, In all their different forms and stages; Ulcers, Eruptions, Pimples, Nodes or Shir Bones, Blotches, Bolls, Scald Blead,

And the entire class of complaints can ed by an impure state of the Bleod. sinks of the Bleed.

E'P It invariably curse Rhemmitism, Liver Complaint, General and Nervons Debuitt, Inflammation of the dowels, and is particularly recommended for all those obstructions to which females are fiable. It is nature's own cosmetic, it beings the young female's form to perfection, giving richness to the blood and

om of health to beaming the failed encek. The "Blood Searcher" medically what its name indicates in all its lengt the system all impore and perulators cames which have induced discuss.

Its effects have been almost introduced Hundreds upon hindreds have been snatched by it from an untimely stave and restord to the sweets of health and the dea monto of friends.
We can point to hundreds of cases that have been cod after all other remotice have failed, and many funces where the patients had given up all hope of rer being restored to heatth.

We not only claim to have discovered a paracea for credicine that has its life-giving and search-
